

# Toquinho e Vinícius - Onde Anda Você

tom: G

E por falar em saudade onde anda você

Onde andam seus olhos que a gente não vê

Onde anda esse copo

Que me deixou morto de tanto prazer

E por falar em beleza onde anda a canção

Que se ouvia na noite dos bares de então

Onde a gente ficava, onde a gente se amava

Em total solidão

Hoje eu saio da noite vazia

Numa boemia sem razão de ser

Na rotina dos bares, que apesar dos pesares

Me trazem você

E por falar em paixão, em razão de viver

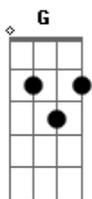

Você bem que podia me aparecer

Nesses mesmos lugares, na noite, nos bares

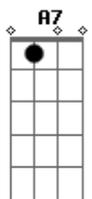

Onde anda você

Onde anda você
