

# Toquinho - Onde anda você

tom:

Am

Intro:

D7 G7 C7M ( Em7 Ebm7 Dm7 ) G7 C7M

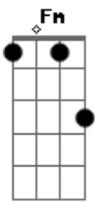

Verso

C A7 D7 G7  
 E por falar em saudade, onde anda você?  
 Onde andam seus olhos, que a gente não vê?  
 Onde anda esse corpo  
 Que me deixou morto de tanto prazer?  
 E por falar em beleza, onde anda a canção  
 Que se ouvia na noite dos bares de então?

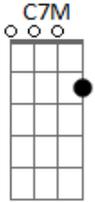

Onde a gente ficava, onde a gente se amava  
 Em total solidão

Gbm7 Fm  
 Hoje eu saio na noite vazia  
 Em7 A7  
 Numa boemia sem razão de ser  
 D7 G7 Em7  
 Na rotina dos bares, que apesar dos pesares me trazem você  
 Gbm7 Fm  
 E por falar em paixão, em razão de viver  
 Em7 A7  
 Você bem que podia me aparecer  
 D7 G7  
 Nesses mesmos lugares, na noite, nos bares  
 C7M C A7  
 Onde anda você?
