

Tori Kelly - Actress

Tom: G

Intro: G D A Em
G D A Em

She don't smile too much

But when she does it's just enough

To make you smile back

She don't cry too much

But when she does it's just enough

To make you feel bad

She got dreams to be seen on screens by everyone

But underneath truly just wants to be known by anyone

She's in the fast lane

Making big waves

So there's no time for her heart

Can't slow

Down now

She said it's easier to be an actress

Call me insane or call me an addict

But like champagne when it touches my lips

I can choose who I wanna be

Yeah it's easier to be an actress

Fresh tear stains I found on the mattress

Hide my pain

I can never admit that I'm sick of all this

But no, it's easier to be an actress

(G D A Em)

She don't fall in love

Cause that would mean

Gotta let em see behind the mask

And she don't know enough

About how beautiful she is

About all the magic tricks that she's hiding

She got dreams to be seen on screens by everyone

But underneath truly just wants to be close to anyone

But you gotta fake it 'til you make it

So there's no time to be real

Can't slow

Down now

She said it's easier to be an actress

Call me insane or call me an addict

But like champagne when it touches my lips

I can choose who I wanna be

Yeah it's easier to be an actress

Fresh tear stains I found on the mattress

Hide my pain

I can never admit that I'm sick of all this

But no, it's easier to be an actress

Ohhh Ohhh Yeahh

So much easier

So much easier

Yeah yeah yeah

Easier to be an actress

Call me insane or call me an addict

But like champagne when it touches my lips

And I can choose who I wanna be

Yeah it's easier to be an actress

Fresh tear stains I found on the mattress

Hide my pain

I can never admit that I'm sick of all this

But no, it's easier to be an actress
