[Verso 1]

C Am F  
It's 2am, I can't believe you're gone  
G  
Isn't it strange how  
C Am F  
One life ends, but the clocks upon the wall  
G  
They keep ticking on and on and on  
C  
What were your last words  
Am  
Happened so fast Lord  
F  
Can't help but think who you would be  
G  
If you just had the chance to turn 23  
C Am F  
It's 2am, still don't believe you're gone  
G  
And the world keeps spinning on

[Refrão]

C Am  
You had so many songs  
F Em G  
Left to sing, so many stories that I'll never get to read  
C Am  
And it holds you in its arms

F Em G  
And now I'm down here learning how to say goodbye  
In the blink of an eye

[Verso 2]

C Am F  
It's hard to think with all this extra noise  
G  
They're talking so loud  
C Am F  
But you're quiet now while your melody plays on  
G  
And I'll just sing along, along, along  
C  
When you took your last breath  
Am  
You had so much life left  
F  
Can't help but think it could have been me out there  
G  
Chasing a dream when suddenly it all stops In a heartbeat

[Refrão]

C Am F  
There are so many songs left to sing  
Em G  
So many stories that I'll never get to read

In the blink of an eye
