

Tori Kelly - Celestial

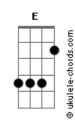

```
tom:
Intro: E7M D7M E7M D7M
Oh, what a marvelous sight
Oceans turn to gold right before my eyes
That vibrant color I crave
Wish I could taste
                              C7M Bm7
Take me there, take me there
                                    0h
                               A2
I?ll dive in the sky, oh the water?s alive
                 В
E B A2
Swim away from the night, I am swallowed by light
E B A2
I?ll float down to soak in the stars
Suddenly love doesn?t seem very far
( E B2 A2 )
( E B2 A2 )
( Gb A2 Gb A2 )
Here in this castle that sits on a cloud
              R2
```

```
Something consumes this heart, rooted deep down
E B2
Now slowly I?m falling
   A2
But I don?t need saving
    E B2
You?ve already got me
                      E B2 A2
     A2
You?ve already got me
(E B2)
This celestial glow is blinding
 E B2 A2
                   B2
I?ll dive in the sky, oh the water?s alive \begin{tabular}{ll} E & B2 & A2 \end{tabular}
I?ll float down to soak in the stars
                  B2
Swim away from the night, I?m swallowed by light
                    B2
Suddenly love doesn?t seem very far
( E7M )
D7M
                              C7M Bm7 E7M
```

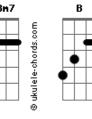

Acordes

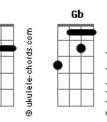

Take me there, take me there
