

Tori Kelly - Crazy

tom:

Bm

B

A man decides after seventy years

B That what he goes there for, is to

Unlock the door

B While those around him

Criticize and sleep

B And through a fracture

On a breaking wall

B I see you my friend

And touch your face again

B Miracles will happen as we dream

D But we're never gonna survive, unless

G

We get a little crazy

D No we're never gonna survive, unless

G

We're a little crazy

B You're the people walking

Through my head

B One of them got a gun

To shoot the other one

B And yet together they were

Friends at school

Oh

B If all were there

When we first took the pill

B Then maybe, then maybe

Then maybe, then maybe

D Miracles will happen as we dream

D **Bm** **Dbm** **Bm** **Dbm**

But we're never gonna survive, unless

G

We get a little crazy

D No we're never gonna survive, unless

Bm **Dbm**

G

We're a little crazy

D No never, never survive

Bm

Dbm

Unless we get a little bit

Bm

In a world full of people

D
