

Tori Kelly - Crazy

tom:
Capostrate na 1ª casa

B
A man decides after seventy years
B That what he goes there for, is to unlock the door
B While those around him criticize and sleep
B And through a fracture on a breaking wall
B I see you my friend, and touch your face again
B Miracles will happen as we dream
D But we're never gonna survive, unless
G
We get a little crazy
D No we're never gonna survive, unless
G
We're a little crazy
B You're the people walking through my head
B One of them got a gun, to shoot the other one
B And yet together they were friends at school

Oh
B If all were there when we first took the pill
B Then maybe, then maybe, then maybe, then maybe
D Miracles will happen as we dream
D But we're never gonna survive, unless
G
We get a little crazy

D No we're never gonna survive, unless
G
We're a little crazy
D No never, never survive
C#m-
Unless we get a little bit
