[Primeira Parte]

**B** **Db** **Ebm**  
You never hear me singing love songs  
**B** **Db** **Ebm**  
Wasn't big on poetry  
**B** **Db** **Ebm**  
Never cried in the movies  
**Abm** **Gb**  
Didn't want to feel so weak

**B** **Db** **Ebm**  
I would never talk about it  
**B** **Db** **Ebm**  
Never let it get too deep  
**B** **Db** **Ebm**  
But something in me is changing  
**Abm** **Gb**  
Guess you did something to me

[Refrão]

**B** **Db** **Ebm**  
'Cause for the first time I get worried  
**B** **Db** **Ebm**  
When I'm looking in your eyes  
**B** **Db** **Ebm**  
That one day you might leave me  
**Abm** **Gb**  
And it keeps me up at night  
**B** **Db** **Ebm**  
I guess that means I really love you  
**B** **Db** **Ebm**  
'Cause I'm afraid to make mistakes  
**B** **Db** **Ebm**  
If you ever left me  
**Abm** **Gb**  
That would be my first heartbreak

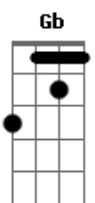

**B** **Db** **Ebm**  
Ooh ooh, ooh ooh  
**B** **Db** **Ebm**  
Ooh ooh, ooh ooh  
**B** **Db** **Ebm**  
If you ever left me  
**Abm** **Gb**  
That would be my first heartbreak

[Segunda Parte]

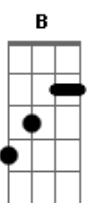

**B** **Db** **Ebm**  
Maybe I shouldn't be thinking  
**B** **Db** **Ebm**  
So far ahead  
**B** **Db** **Ebm**  
Better just enjoy this moment  
**Abm** **Gb**  
And be happy for what I get

**B** **Db** **Ebm**  
But you know it's not that easy  
**B** **Db** **Ebm**  
To get out of my head

[Ponte]

**Gb** **Abm** **Ebm**  
I wanna run, I wanna stay  
**B**  
Hold every piece so it won't break  
**Gb** **Abm** **Ebm**  
Wanna let go, wanna hold tight  
**B**  
Afraid that I might suffocate  
**Gb** **Abm**  
You with my love  
**Ebm**  
How much is enough?  
**B**  
How much is too safe?
