

Tori Kelly - Help us To Love

```
Tom: Gb
                                                                But still we marching, praying, dying, and things stay the
                                                                same
 (forma dos acordes no tom de Eb )
Capostraste na 3ª casa
Intro: C C7 C7
C G7
                    C7
There's a love so high (that you cannot get over)
That same love's so wide (it'll take forever just to get round
it)
But love died somewhere
Behind that cross you wear, you're afraid when you look at me
That ain't real love
Not the kind from above, hmm
But there's a friend of mine (that stays closer than a
Oooh, love laid down his life (so why do we still fight one
another?)
All this hate I see on the TV screen
               Em
In my country ?tis of thee
God help us to love, to love the way that you love me
                      Dm
Hmmm, God help us to love the way that you love me, oh oh
This world is weeping, hurting, broken and begging for change
Oh yeah
             Bb
                                                       Am
