

Tori Kelly - Language

Tom: Gb

(forma dos acordes no tom de G)

Afinação: Eb Ab Db Gb Bb Eb

Let me choose my words real carefully
 Don't let me be misunderstood
 'Cause I don't wanna say something I don't really mean
 I just wanna love you, love you, love you
 Love you real good
 They always say "don't go to bed angry"
 So it's been days since I got some sleeping
 I say "I miss you", you take it
 As I'm trying to get you like I'm insecure
 This quiet game ain't workin' out for me
 Leave your pride, I'll leave mine
 Lord knows I need patience with you
 So I can explain this to you
 I'm trying to learn your language, sugar
 I just wanna love you, love you, love you good
 We got an issue, so what?
 It's gonna be worth it when it's over
 I'm trying to learn your language, sugar
 I just wanna love you, love you, love you good
 Don't get me wrong, I know I ain't perfect
 It won't be long 'til my words 'cause you hurting
 You bring up something I don't remember

Saying it's like I'm twisting the knife
 Please just hang on, I'm putting that work in
 Leave your pride, I'll leave mine
 Lord knows I need patience with you
 So I can explain this to you
 I'm trying to learn your language, sugar
 I just wanna love you, love you, love you good
 We got an issue, so what?
 It's gonna be worth it when it's over
 I'm trying to learn your language, sugar
 So I can love you, love you, love you good
 Let me choose my words carefully
 So you can learn me, me too
 Lord knows I need patience
 Just wanna learn your language
 Just wanna love you (so what?)
 It's gonna be worth it when it's over
 I'm trying to learn your language, sugar
 Just wanna love you, love you, love you good
 I'm trying to learn your language, sugar
 So I can love you, love you, love you good
 I'm trying to learn your language, sugar
 So I can love you, love you, love you good
 Ooo-oh
