

# Tori Kelly - Lullaby

Tom: E

m7 D G  
All the times I have laid in your light  
When your love kept me safe through the night  
All the time I was sure you were mine  
And before time demands our goodbye  
Will you sing me a last lullaby

Em7 D  
I've only just found you  
So I don't want to lose you  
But time has run out there is nothing I can do  
Why should it end abruptly  
Just hold me tight one more night  
Baby I'll be runnin and runnin and runnin til I'm far away  
Just keep tellin me tellin me tellin me it'll be okay

Em D G  
All the times I have laid in your light  
When your love kept me safe through the night  
All the time I was sure you were mine  
And before time demands our goodbye  
Will you sing me a last lullaby

Em7 D  
Sing it to me softly  
Sing it loud while the pain is still lingering

There's hearts that are already broken, they just bleed  
I guess I'll never understand the situation at hand  
You're already making plans  
I can't help it I'll be wonderin? wonderin wonderin if we're  
okay  
Just keep tellin me tellin me tellin me to let it slip away

Em D G  
All the times I have laid in your light  
When your love kept me safe through the night  
All the time I was sure you were mine  
And before time demands our goodbye  
Will you sing me a last lullaby
