

Tori Kelly - Oceans

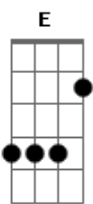

tom:
I don't ever wanna go back there
If it's not up in your eyes, it's dry like bones
You're the water, you're the all that's there
You're the reason I'm alive, you feel like
O, o-o-o-o-o, o, o-o-o-o-oceans
Deep inside of your
O, o-o-o-o-o, o, o-o-o-o-oceans (uh)
It feel like you the bedrock, you got my love in a headlock
Can't help myself, and I can't stop
I put my heart all up inside your hands, don't ever let go
You got me charged like a Venmo
You draw me in like a pencil
I put my heart all up inside
So save me your love till the Sun runs out
I'll place you above till I'm underground
What my eyes might see
What my life might be with you not around
Guess I'll never, ever, ever, ever know
I don't ever wanna go back there
If it's not up in your eyes, it's dry like bones
You're the water, you're the all that's there
