Carried by the wind
G
And sung by the trees

Ohhh baby give me a sign
Em Am
You and me we'd fit together perfectly
C
Baby don't you think so
G

You should let me know

Refrão :

G Am
If I could just reach your heart
Em C
Then I could know what you're thinkin
G Am
If I could just reach your heart
Em C
Then I could know what you're feelin

Verso 3(mesma progressão dos versos 1 e 2) :

You're heart
I'm gonna reach for it
And when I get it imma never let it go
Cuz, you got that special thing
Makes me wanna sing
I wish I could know how you feel about me

Ponte :

Am G
Do you have any feelings for me
Em C
Or am I just wastin my time
Am G
So many thoughts running through my brain
Em C
This would all be so much easier...
