

# Tori Kelly - Upside Down

Tom: C

G Dm  
You have flipped my view

F Am  
Yeah, I'm not used to these changes

G Dm F  
All these brand new feelings I can't explain

Am  
But somehow I like it

G Dm  
And if I, find out

F Am  
That you feel, the same way

G Dm  
As I do, I will love you

F Am  
As soon as I can stand up straight, ohh

G Dm  
You got me walking sideways

F Am  
Spinning all around

G Dm  
Dizzy because you flip my world

F  
Upside down

Am  
Upside down

G Dm  
I've been so confused

F Am

I wouldn't normally fall for someone quite like you

G Dm  
I'm tripping over my own thoughts

F Am  
But baby I really like you a lot

( G - Dm - F - Am )  
(I wonder if you feel the same)  
If you feel the same way  
(I wouldn't know just what to do)  
Cause I can't even stand up straight

G Dm  
You got me walking sideways

F Am  
Spinning all around

G Dm  
Dizzy because you flip my world

F  
Upside down

Am  
Upside down

( G - Dm - F - Am )  
Can somebody tell me why I feel this way  
24/7 you're always on my brain  
I can't really put my finger on it but  
(You got me so twisted)  
I've had crushes before, but it's not the same  
2 )

Something different about you, I can't explain  
Baby you're making me insane  
(You got me so twisted)
