

Torquato Neto - Três da madrugada

Tom: A

(Torquato Neto / Carlos Pinto)

[Intro:] E7 Eb7 D7 Db7 C7 B7

E B7
Três da madrugada, quase nada
A7
A cidade abandonada
D E
E essa rua que não tem mais fim

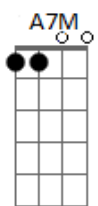

Três da madrugada, quase nada
A cidade abandonada
E essa rua não tem mais nada de mim

Dbm Gbm7 Ab7 Gbm7 Ab7 Gbm7
Nada, noite, alta madrugada
Ab7 Gbm7 Ab7 A7M
Nessa cidade que me guarda
E Gbm7
Que me mata de saudade
B7 B7
É sempre assim

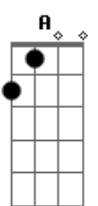

Triste madrugada, tudo e nada
A mão fria, a mão gelada
Toca bem de leve em mim

Saiba: meu pobre coração não vale nada
Pelas três da madrugada
Toda palavra calada nessa rua da cidade
Que não tem mais fim
