tom:
C

I wish that I could tell you just how much you mean to me
F C Am

The way I think about you constantly

Am F

That this could have a happy end

The thought of you with any other tears me up inside
C Am

From Dr. Jekyll I turn into Mr. Hyde
F G

The fear of losing you is driving me insane
C Am

Even though I know you're not the one to blame
F G

The storyline for me and you is getting very near the end
Am F G E

And we both can see how the end will be, so why do we still pretend?
Am F G

I need to show how much I love you
C Em Am Em

I need to prove my heart is true!
C Em G

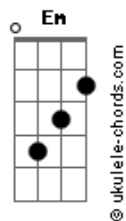

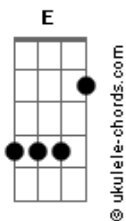

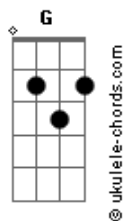

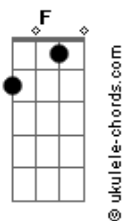

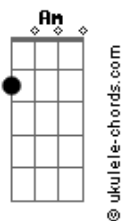

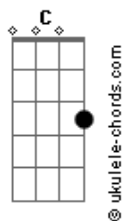

I'm gonna show the world how much I love you girl
C E Am F

I'm gonna kill myself for you!
G C G

I'm feeling more uneasy with the dawn of each new day
C Am

It's the fear of losing you that makes me feel this way
F G

Acordes

It's then I realize there's only one thing left to do
C Am

It's the only way to make you stay forever true
F G

Well, I know there's nothing we can do
Am F

To keep alive the love we found
G E

And when I've played out this last scene with you
Am F

I'm gonna bring the final curtain down
G

I need to show how much I love you
C Em Am Em

I need to prove my heart is true!
C Em G

I'm gonna show the world how much I love you girl
C E Am F

I'm gonna kill myself for you!
G C G
