

# Tove Lo - Don't Ask, Don't Tell

Tom: **Db**

Intro: **Ab**

**Bbm** **Ebm** **Gb**  
I'm curious to know who you are  
**Ab** **Db** **Ab**  
Know what turns you on, turns you off  
**Gb7** **Ebm**  
Know we're not kids anymore  
**Ab**  
Know we've both been here before  
**Bbm** **Ebm** **Gb**  
These butterflies scare me to death  
**Ab** **Db** **Ab**  
Feel them beating out of my chest  
**Gb7** **Ebm**  
Make me come, come so alive  
**Ab**  
And go with your moves through the night

**Bbm**  
We've both seen the world  
**Ebm**  
Live and learn  
**Gb** **Ab**  
Don't know what you heard  
**Db** **Ab**  
But it, but it can't be worse than I know  
**Gb7**  
We've both seen the world  
**Ebm**  
Live and learn  
**Ab**  
Don't know what you heard  
**Ab**  
But it, but it can't be worse than I know

**Bbm** **Ebm**  
And baby, don't ask, then don't tell  
**Gb** **Ab**  
Already know you're fucked up  
**Db** **Ab**  
And it's cool with me  
**Gb7** **Ebm**  
My past and don't ask and don't tell  
**Ab**  
No need to share too much  
**Ab**  
Come on, let it be, ah (and baby)

**Bbm** **Ebm** **Gb**  
Experienced in more than one way  
**Ab** **Db** **Ab**  
Whatever I need, you got me  
**Gb7** **Ebm**  
Whisper dirty things that we like  
**Ab**  
Images stuck on my mind  
**Bbm**  
We've both seen the world  
**Ebm**
