

# Tove Lo - Influence (feat. Wiz Khalifa)

Tom: **Bb**

Oh oh **Gm Cm Eb**

**Gm**  
First line, take mine; I'm fine as fuck  
**Cm** **Eb**  
Love myself tonight and I think you can feel the same  
**Gm**  
Moonshine, good time; babe, you're in luck  
**Cm** **Eb**  
Cause I will do whatever comes to mind, you'll go insane

**Gm**  
Things I say don't usually come easily  
**Cm** **Eb**  
There's one thing I need you now to know 'bout me

**Gm**  
You know I'm under the influence  
**Cm F**  
So don't trust every word I say, I say  
**Gm**  
When I'm under the influence  
**Cm F**  
It's a blur, but I want my way, my way  
**Gm**  
You know I'm under the influence  
**Cm F**  
So don't trust every word I say, I say  
**Gm**  
Sounds good without making sense  
**Cm F**  
It's a blur, but I want my way, my way  
**Gm**  
When I'm under the influence

**Gm**  
Take off, liquor; I feel the beat  
**Cm** **Eb**  
Hold onto the floor but I keep spinnin' round and round  
**Gm**  
Swing me, baby, back on my feet  
**Cm** **Eb**  
Hiding in the crowd; we're making love without a sound

**Gm**  
Things I say don't usually come easily  
**Cm** **Eb**  
There's one thing I need you now to know 'bout me

**Gm**  
You know I'm under the influence  
**Cm F**  
So don't trust every word I say, I say  
**Gm**  
When I'm under the influence  
**Cm F**  
It's a blur, but I want my way, my way  
**Gm**  
You know I'm under the influence  
**Cm F**  
So don't trust every word I say, I say  
**Gm**  
Sounds good without making sense  
**Cm F**  
It's a blur, but I want my way, my way  
**Gm**  
When I'm under the influence

**Gm**  
Boy meets, boy meets  
**Gm** **Cm**  
Girl meets girl  
**Eb**  
This is the best place in the world  
**Gm**  
Boy meets, boy meets  
**Gm** **Cm**  
Girl meets girl  
**Eb**  
This is the best place in the world

**Gm**  
You know I'm under the influence  
**Cm F**  
So don't trust every word I say, I say  
**Gm**  
When I'm under the influence  
**Cm F**  
It's a blur, but I want my way, my way  
**Gm**  
You know I'm under the influence  
**Cm F**  
So don't trust every word I say, I say  
**Gm**  
Sounds good without making sense  
**Cm F**  
It's a blur, but I want my way, my way  
**Gm**  
When I'm under the influence
