

# Tove Lo - No One Dies From Love

tom:  
[Primeira Parte]  
We were so magical, why end this way?  
I know you're furious, yeah, just like me  
You got good reasons, but I do too  
What really happened here? I wish I knew  
[Pré-Refrão]  
It escalated so fast  
We yelled things we can't take back  
It escalated too soon  
I know what they say, I know that they say that  
[Refrão]

No one dies from love  
Guess I'll be the first  
Will you remember us?  
Or are the memories too stained with blood now?  
No one dies from love  
Guess I'll be the first  
Will you remember us?  
Or are the memories too stained with blood now?

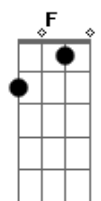

[Segunda Parte]

I tried my best with you, you claim the same  
Somehow, we're strangers, but share this pain  
Keep writin' letters I'll never send  
Don't want you movin' on when it's my end

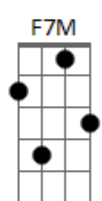

[Pré-Refrão]

It escalated so fast (So fast)
