

Tove Lo - Paradise

Tom: **C**

C
 Touch you once, my fingers go numb?
 Hold my breath one second too long?
F
 Fainting others when I wake up
 ?You'll be gone, you're all that I got
C
 Being with you, my natural high
 ?Still got every single butterfly
 ?**F** (**C**)
 Just what they all wish that they had
F (**C**)
 So intense, it's driving me mad
 ?**F** **Am**
 So into you now

F
 Said I want you for a million days
 ?**Am** **C**
 You say you want the same with me
 ?**F**
 With love for real without the lies
 ?**Am** **C**
 Is that what they call paradise?
 ?**F** **Am**
 All of you wanna be in it?
C
 Paradise
 ?**F** **Am**
 All of you wanna be in it
 ?**C**
 Paradise

C
 Dark days when I'm feeling the doubt
 ?Bring me back, you're light of my life?
F
 You sweep all my worries away
 Brush me off, now I'll be okay
C
 Right this way forever and on
 ?When I drown, I feel like I've won
 ?**F** (**C**)
 'Cause I made it all the way through
F (**C**)?
 Tear in love, a lifetime with you
F **Am**
 ?So into you now

F
 Said I want you for a million days?
Am **C**
 You say you want the same with me?
F
 With love for real without the lies
 ?**Am** **C**
 Is that what they call paradise?
 ?**F** **Am**
 All of you wanna be in it
 ?**C**
 Paradise
 ?**F** **Am**
 All of you wanna be in it?
C
 Paradise

F
 Said I want you for a million days?
Am **C**
 You say you want the same with me?
F
 With love for real without the lies
 ?**Am** **C**
 Is that what they call paradise?
F **Am** **C**
 Paradise,
F **Am** **C**
 oh, ooh

F
 Said I want you for a million days
 ?**Am** **C**
 You say you want the same with me
 ?**F**
 With love for real without the lies
 ?**Am** **C**
 Is that what they call paradise?
 ?**F** **Am**
 All of you wanna be in it
 ?**C**
 Paradise
 ?**F** **Am**
 All of you wanna be in it
 ?**C**
 Paradise

F
 I want you for a million days
 ?**Am** **C**
 You say you want the same with me...
