

Tracy Chapman - Be And Be Not Afraid

Tom: **G**

I believe in mistakes ^{**C**} and accidents ^{**G**}
 That the nature of life is ^{**Am**} caos and confusion ^{**G**}
 That man's rules of law and order ^{**C**} may not stand ^{**G**}
 And I should be and be not afraid ^{**Em**} to reach for he-heaven ^{**C D G**}
 (riff 1)

I may think that I know ^{**C**} the true hearts needs ^{**G**}
 My pride may bring me low, ^{**Am**} unable to see ^{**G**}
 No closer than yesterday, ^{**C**} but tomorrow I may stand ^{**G**}
 Be and be not afraid ^{**Em**} to reach for he-heaven ^{**C D G**}

(guitar solo)
 (**G** **C**)
 (**G** **Am**)
 (**G** **C**)
 (**G** **Em** **C D G**)

(riff 1)
 I'll see the black eyed cavelcade, ^{**C**} lights on in the morn ^{**G**}
 I'll run fast and far away, ^{**Am**} I'll run without stopping ^{**G**}
 Till heart and feet fail ^{**C**} or until I can stand ^{**G**}
 Be and be not afraid ^{**Em**} ^{**C D G**}
 Be and be not afraid ^{**C**}
 Be and be not afraid ^{**Em**} to reach for he-heaven ^{**C D G**}
