Hoped to finish her stuff up here, but looks like there'll be one more posting. I'm not going to include "Behind The Wall" as it's a cappella, but will try to throw in the rest from her first album and what I've figured of "All That You Have Is Your Soul".

Use a capo barred at the second fret to match the pitch of this one.

Follow the transcription as you would any TAB, disregarding the fact that you're two frets up. **A** pitch of "2" is played by plucking the notated string two frets above the capo, not the nut.
