Tracy Chapman - Let It Rain

Tom: G

```
    D D D D D

        E
Let it rain
     G                    D
As I walk these streets unknown
    D
To no one named
    G                    G
Not even myself
D        Em
When I'm low

Give me hope
        D
That help is coming
G        D Em
When I need it most
Em
Give me hope
        D
That help is coming
G        D Em
When I need it most

D D D D D
        E
Let it go
   G                    D
No mother no father no home
    D
Forget as all others
G                    G
Have forgotten
D        Em
When I'm alone

Give me hope
        D
That help is coming
G        D Em
When I need it most
Em
Give me hope
        D
That help is coming
G        D Em
```

```
When I need it most

D D D D D
        E
Let it come
              G
Love that lifts me up
              D
Pain that brings me down
D        G          G
Everything I'd ever want and don't
        D    Em
When I'm not strong

Give me hope
        D
That help is coming
G        D Em
When I need it most
Em
Give me hope
        D
That help is coming
G        D Em
When I need it most

D D D D D
        E
Let it rain
        G                    D
Let it flood these streets and wash me away
              D                G
To where it makes no difference who I am
                    G
Or what the future holds
        D    Em
When I don't know

Give me hope
        D
That help is coming
G        D Em
When I need it most
Em
Give me hope
        D
That help is coming
G        D Em
When I need it most
