And finding answers
Is forgetting all of the questions we call home
Passing the graves of the unknown

(continua o dedilhado da introdução)

As reason clouds my eyes, with splendor fading
Illusions of the sunlight
And the reflection of a lie will keep me waiting
Love gone for so long

This day's ending is the proof of time killing all the faith I
know
Knowing that faith is all I hold

Dm **Bb**
And I've lost who I am, and I can't understand

F **C**
Why my heart is so broken, rejecting your love

Dm **Bb**
(love) without, love gone wrong; lifeless words carry on

F **C**
But I know, all I know's that the end's beginning

Dm **Bb**
Who I am from the start, take me home to my heart

F **C**
Let me go and I will run, I will not be silent

Dm **Bb**
(silent) all this time spent in vain; wasted years wasted gain

F **C**
All is lost but hope remains and this war's not over

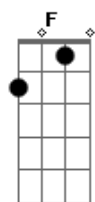

Dm **Bb**
There's a light, there's a sun taking all these shattered ones

F **C**
To the place we belong, and his love will conquer (all)

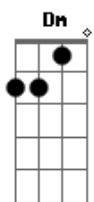

...
(continua o dedilhado da introducao)

yesterday i died
tomorrow's bleeding
fall into your sunlight
