                                                                                                                                                                                                                              This is not a drive by
On the other side of a downward spiral
                                                                                                                                                                                                                              Just a shy guy looking for a two ply
My love for you went viral
                                                                                                                                                                                                                                                                                              Ab
                                                                                                                                                                                                                              Hefty bag to hold my... love
And I loved you every mile you drove away
                                                                                                                                                                                                                              When you move me everything is groovy
But now here you are again
                                                                                                                                                                                                                              They don't like it sue me
So let's skip the "how you been"
                                                                                                                                                                                                                              The way you do me
And get down to the "more than friends" at last
                                                                                                                                                                                                                              Oh I swear to ya
Pré-Refrão:
                                                                                                                                                                                                                              I'll be there for ya

Oh but that one night
                                                                                                                                                                                                                              This is not a drive by
