Well an airplane's faster than a Cadillac  
And a whole lot smoother than a camel's back  
But I don't care how you get to me  
Just get to me  
Parasail or first class mail  
Get on the back of a Nightingale  
Just get to me I don't care just get to me  
Prokeds, mopeds take a limousine instead  
They ain't cheap but they're easy to find  
Get on the highway point yourself my way  
Take a roller coaster that comes in sideways

**Bb**

Just get to me - yeah

Chorus

Go on hitch a ride on the back  
of a butterfly

There's no better way to fly

To get to me

**Bb** (optional) **C**

I look around at what I got

And without you, it ain't a lot

But I got everything, with you, everything

Verse Two

same choices as verse 1 : recommend to play differently from  
what you did in verse 1 (make it "interesting")

**Dm C**

Maybe you could pollinate over the  
Golden Gate  
Take a left hand turn at the corner  
Of Haight  
And then a sharp right  
At the first street light  
And get yourself on a motor bike  
And if you think you'll get stuck in a  
traffic jam  
That's fine, send yourself through a telephone line  
It doesn't matter how you get to me  
**Bb**  
Just get to me

Chorus

Go on hitch a ride on the back  
of a butterfly

There's no better way to fly

To get to me

**Bb** (optional) **C**

I look around at what I got

And without you, it ain't a lot

But I got everything, with you, everything

Bridge

**Dm**

Cause after every day

**C**

The wind blows the night time my way

**Bb**

And I imagine that you are

Above me like a star

**F**

And you keep on glowing

**Am**

And you keep on showing me the way

**Dm**

SHINE

**C**

**Bb**
