

# Train - Meet Virginia

Tom: **G**

Tabbed by unknown  
Nick Strangis

**Em** - 022000  
**C** - 032010  
**D** - 054030

Longer spaces between numbers mean longer pauses.

Rhythm parts are just repeated throughout the song.  
(palm muted)

The chorus follows the pattern **Em**, **C**, **D** throughout the song  
Sometimes I change this **D** chord to a regular **D** chord for the different sound.

Lead guitar parts will go in order  
(palm muted)
