

Train - Parachute

Tom: C

Verso 1:

C I wanna take you with me C7
Am F
to life with no more yesterdays C7
C We can start again a-wake and so excited F
Am and change the way we always push G
we always pull

C I'll open up and be your parachute F
Am G F G
and I'll never let you down C
C So open up and be my human angel F
Am G F
and we'll only hit the ground C
running

C And when the world gets sharp and tries to cut you down to size C7
Am
and makes you feel like giving in F
oh, I will stay, I will rain, I will wash the words and pain C7
Am F
away and I will chase away the way we push G

the way we pull you're beautiful

C I'll open up and be your parachute F
Am G F G
and I'll never let you down C
C So open up and be my human angel F
Am G F
and we'll only hit the ground C G
running running

Ponte:

Dm And if it feels like we might drop F
C
it will stop so don't look down C
F
it wouldn't be the same without you Dm F
This life is too good to give up on

Refrão:

C I'll open up and be your parachute F
Am G F G
and I'll never let you down C
C So open up and be my human angel F
Am G F
and we'll only hit the ground Am G F
and we're gonna hit the ground C G
running running
