

# Train - Save Me San Francisco

Tom: **D**

Intro: **D G A D**

Verso 1:

**D**  
I used to love the tenderloin  
**G**  
Until I made some tender coin  
**A** **D**  
And then I met some ladies from Marin  
**D**  
We Took the Highway to the one,  
**G**  
Up the coast to catch some sun  
**A** **D**  
That left me with these blisters on my skin  
**D**  
Don't know what I was on,  
**G**  
But I think it grows in Oregon,  
**A** **D**  
So I kept on goin' going on right through  
**Bm**  
I drove into Seattle Rain  
**A**  
Fell in love then missed the train  
**G**  
That could have took me right back home to you

Refrão:

**D** **G** **A** **D**  
I've been high, I've been low, I've been yes and I've been oh  
hell no!  
**D** **G**  
I've been rock'n roll and disco,  
**A** **D**  
Won't you save me San Francisco?

Verso 2:

**D**  
Every day so caffeinated  
**G**  
I wish they were Golden Gated  
**A** **D**  
Fillmore couldn't feel more miles away  
**D**  
So wrap me up return to sender  
**G**  
Let's forget this five year bender  
**A** **D**  
Take me to my city by the bay!  
**D**  
I never knew all that I had,

**G**  
Now Alcatraz don't sound so bad  
**A** **D**  
At least they have a helluva fine below  
**Bm**  
If I could wish upon a star  
**A**  
I would hitch a cable car  
**G**  
To the place that I can always call my own!
