

Train - To Be Loved

Tom: A

A B

Finally met Virginia on a slow summer night
Gbm D

Thought I should forgive ya so I came back
A

You're a sight for sore eyes
B
Right for those lies
Gbm D

They save me after all

A B
Right from the beginning we were wrong I found
Gbm D

But no one did it better baby pound to pound
A B

Those heavy weights fights were right for me
Gbm D

To learn how to see the light clearly

D E

And it's the light I see in you

A B Gbm D

No, don't go I'll show you what it's like to be loved
A B Gbm D

No, don't go I'll show you what it's like to be loved

Now that things are better for me I can laugh Gbm D At all your other lovers when you do the math Does it make you feel sad, make you feel small? Thank God it ain't about me anymore I'm not coming back for round two I just want to love you like a friend would do You weren`t wrong for the feelings you had But the man I was isn`t coming back So stay, it's OK (Refrão) Dbm D Gbm When you say it`s over I lost my head Dbm And now that we're older I'm giving up on being right So I can see the other side again No, don't go I'll show you what it's like to be loved A B Gbm D No, don't go I'll show you what it's like to be loved
