

Train - Words

Tom: Bb

I'd give anything but I won't give up on you
 I'd say anything, but not goodbye
 I will run with your changes and I'm always on your side
 And there's not a word I've ever heard that would make me change my mind

Words they'll try to shake you
 Don't let them break you
 Or stop your world from turning
 When words keep you from feeling good
 Use them as firewood and let them burn

Like stones in your pocket, people try to wear you down
 Someone always wants to take the love you've found
 So let's run with these changes and I want you by my side
 And there's not a word I've ever heard that would make me change my mind

Words they'll try to shake you
 Don't let them break you
 Or stop your world from turning

When words keep you from feeling good
 Use them as firewood and let them burn
 Let...them...burn
 Let...them...burn
 Underneath every word somebody's heart's been broken
 With or without words we try to forgive

Words they'll try to shake us
 Don't let them break us
 Or stop our world from turning
 When words keep you from feeling good
 Use them as firewood and let them burn

Words they'll try to shake you
 Don't let them break you
 Or stop your world from turning
 When words keep you from feeling good
 Use them as firewood and let them burn

Let...them...burn
 Let...them...burn
