Traffic on your mind

Kill you like a disease

Fire in the sky

It's raining heavily

There will come a time when you decide

It's fight or flight and you've had enough <sup>A</sup>

<sup>E</sup>  
Something in your eye

Tells me what you need  
<sup>A</sup>  
A lover by your side and

Some fresh air to breathe  
<sup>Dbm</sup>  
Leave it all behind and

Run away with me  
<sup>A</sup>  
Leave it all behind and

Run away with me

[Refrão]

Hit the gas and drive it

Like you stole the thing  
<sup>A</sup>  
The melody's alive so

Let me hear you sing  
<sup>Dbm</sup>

Feel your heart ignite, elevate

Satellite, and float down again <sup>A</sup>  
<sup>E</sup>  
Free and feeling high

On new found clarity  
<sup>A</sup>  
The sunny summer shines in solidarity  
<sup>Dbm</sup>  
Leave it all behind and

Run away with me  
<sup>A</sup>  
Leave it all behind and

Run away with me

[Ponte]

<sup>E</sup>  
Embrace the charge that's

Flowing through you

Running down from high above  
<sup>A</sup>  
Melt the pain away inside you

Burning rubber, fueled by love  
<sup>Dbm</sup>  
Break away, no chance of stopping

Liberation in your wake  
<sup>A</sup>  
Feel the rhythm, heart is popping

What's finally mine is yours to take
