Trapdoor Social - Save The World

```
                              tom:
                  A

             A       Dbm
  Ha, ha, ha, ha
A       Dbm
  Ha, ha, ha, ha
A
I've got to save this night
Dbm                              D
Got to get my head on right for you
                     A
I'm falling off sideways

Ever since I saw your face
Dbm                                 D
I thought a lot about my place in here
                     A
I'm nothing but ordinary

D
 Every dream in my head
A
 Every word that I've read
D
 Everything that I've thought
A
 Thought but I should've said
D
 All the things that I've done
A
 All the races I've run
Bm
 Comes together in one

But I don't know what's to come

Gbm                 D
 You make every part of me
                  A
Stand up and fight
                    E
To save the whole world

Turn what's dark into light
Gbm                 D
 You make every part of me
             A
Want to do more
                    Dbm
To save the whole world

Be the one you adore

A       Dbm
  Ha, ha, ha, ha
A       Dbm
  Ha, ha, ha, ha
A
The more time that passes by
Dbm                                 D
It all becomes much clear why you are
                  A
Different form everyone

This world confuses me
Dbm                                 D
But ever since the fuse in me has lit
                     A
I've wondered what I could do

D
 Every dream in my head
A
 Every word that I've read
D
 Everything that I've thought
A
 Thought but I should've said
D
 All the things that I've done
A
 All the races I've run
Bm
 Comes together in one

But I don't know what's to come

Gbm                 D
 You make every part of me
                  A

To save the whole world

Be the one you adore

Gbm                             D
 Of all the reasons there are to choose
            Db
Most will never do
     Bm
It's love that makes me stay
Gbm                   D
 Melted back into everyone
             Dbm
When you didn't come
             Bm
Nothing to keep me from washing away

Gbm                             D
 Of all the reasons there are to choose
            Db
Most will never do
