

Trapdoor Social - Science Of Love

tom:

Intro: G Em
[Primeira Parte]

G
I, I see you pass your days
Em
In outer space
The distance saves you
G
What your mind wouldn't do
Em
Not to be confused
D
Would it cut you loose

[Refrão]

C
Oh
Em
The world expands
G C
Cause its filling up with all your big plans
Em
You wanna show them that you were right
G C
You wanna soak up her love like starlight shines
But you really don't know
Em C
If you're seeing something real or it's bouncing off the snow
Em G
Until it's melted in your hands

[Segunda Parte]

G
All, All the things you invent
Em
Just to have a single friend
You call it heaven sent
G
And to lasso all the stars
Em
Down slipstream boulevards

You think they'll take you far

[Refrão]

C
Oh
Em
The world expands
G C
Cause its filling up with all your big plans
Em
You wanna show them that you were right
G C
You wanna soak up her love like starlight shines
But you really don't know
Em C
If you're seeing something real or it's bouncing off the snow
Em G
Until it's melted in your hands

[Ponte]

Em A
It's done, the blueprint of her love
Am D
You drew it when she wouldn't stay
Em A
Mixed up in oxygen and blood
Am D
It's matter enough to weigh
(C Em G C)

[Refrão]

C
Oh
Em
The world expands
G C
Cause its filling up with all your big plans
Em
You wanna show them that you were right
G C
You wanna soak up her love like starlight shines
But you really don't know
Em C
If you're seeing something real or it's bouncing off the snow
Em G
Until it's melted in your hands
