| p pull-off
| harmonic

Circling your, circling your, circling your head
Contemplating everything you ever said
Now I see the truth
I got a doubt
A different motive in your eyes and now I'm out
See you later
I see your fantasy, you want to make it a reality paved in
gold
See inside, inside of our heads, yeah
Well now that's over
I see your motives inside, decisions to hide

Acordes

Back off we'll take you on
Headstrong to take on anyone
I know that you are wrong
Headstrong we're Headstrong
Back off I'll take you on
Headstrong to take on anyone
I know that you are wrong
And this is not where you belong

I can't give everything away
I won't give everything away

Conclusions manifest
Your first impressions got to be your very best
I see you're full of sand that's alright
That's how you play I guess you get through every night
Well now that's over
I see your fantasy, you want to make it a reality paved in
gold
See inside, inside of our heads, yeah
Well now that's over
I see your motives inside, decisions to hide

Back off we'll take you on
Headstrong to take on anyone
I know that you are wrong
Headstrong we're Headstrong
Back off I'll take you on
Headstrong to take on anyone
I know that you are wrong
And this is not where you belong

Where you belong
I can't give everything away
This is not where you belong
I won't give everything away

I know, I know all about
I know, I know all about
I know, I know all about
I know, I know all about your motives inside and your decision
to hide

Back off we'll take you on
Headstrong to take on anyone
I know that you are wrong
Headstrong we're Headstrong
Back off I'll take you on
Headstrong to take on anyone
I know that you are wrong
And this is not where you belong

Where you belong
This is not where you belong
I can't give everything away
This is not where you belong
I won't give everything away
This is not where you belong
