

Traumer - Close Your Eyes

Tom: **D**
Intro: **Bm A Bm A G A G A (2x) Gb**

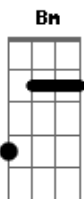

Night time is falling **Bm**
A wonder where are you now? **G**
But my spirit seems to feel **Bm**
A broken plan **G**
Future is calling **Bm**
A And I can't stand for more **Bm**
Now my pain will set on ground **D**
Destiny shows the way **G**
I'm still here in the dark **Bm**
You took a path far of the mark **Em**
What lies beneath you'll never know **A**
But my eyes will tell it right **Bm**
Many stars up in the sky **Bm**

I'm gazing them until I die **D**
A dreamer, a human with a heart inside **A**
But a deeper missing part **Gb**
Refrão:
Above your sorrow **G**
Where I set my dreams tonight **Bm**
You come tomorrow **D**
We will never be apart **G**
Those days gone by **D**
Now it's time to close your eyes **Bm**
The sun will rise up in the dawn **A**
I'm lying here all alone **D**
In my fantasy you call my name **A**
There's no one else to blame **Gb**
