

Travis Greene - Made a Way

```
But your grace was strong enough to pick us up
Intro: B B B E
                               B B B E
                                                                                                                                                                                                                                                   And we're standing here
                                B B E B
                                                                                                                                                                                                                                                                           Abm7 Gb
Standing here not knowing how we'll get through this test
                                                                                                                                                                                                                                                    Only because you made
                                                                                                                                                                                                                                                                                 Dbm7 B
                                                                                                                                                                                                                                                    And we're standing here
But holding onto faith you know best
                                                                                                                                                                                                                                                                           Abm7 Gb
Nothing can catch you by surprise
                                                                                                                                                                                                                                                    Only because you made
       Gb E
                                                                                                                                                                                                                                                                          Dbm7 B
You've got this figured out and you're watching us now
                                                                                                                                                                                                                                                    And we're standing here
                                                                                                                                                                                                                                                                           Abm7 Gb
But when it looks as if we can't win
                                                                                                                                                                                                                                                   Only because you made
                                                                                   В
You wrap us in your arm and step in
            E Abm7
And everything we need you supply
     Gb E
                                                                                                                                                                                                                                                    You move mountains
You got this in control
     E
                                                                                                                                                                                                                                                    You cause walls to fall
And now we know that
                                                                                                                                                                                                                                                                                              Е
                                                                                                                                                                                                                                                   With your power
                                                                                                                                                                                                                                                                                                Gb B
You made a way
                                                                                                                                                                                                                                                    You perform miracles
                                                                                                                                                                                                                                                                                   E Gb Abm7
       Dbm7
                                                                                                                                                                                                                                                    There is nothing that's impossible
When our backs were against the wall
                              Abm7
                                                                                                                                                                                                                                                                                          Dbm7 B
And it looked as if it was over
                                                                                                                                                                                                                                                    And we're standing here

                                                                                                                                                                                                                                                   With your power
                                                                                                                                                                                                                                                                                             Gb B
Now we're here
                                                                                                                                                                                                                                                    You perform miracles
                                                                                                                                                                                                                                                                                                                                         Bbdim Abm7
Looking back on where we come from % \left( 1\right) =\left( 1\right) \left( 1
                                                                                                                                                                                                                                                                                        F
                                                                                                                                                                                                                                                    There is nothing that's impossible
                                                                           в в в
Because of you and nothing we've done
                                                                                                                                                                                                                                                                                          Dbm7 B
                                                                                                                                                                                                                                                   And we're standing here
                                                                                       Abm7
To deserve the love and mercy you've shown
                                                                                                                                                                                                                                                                                   Abm7 Gb
                                                                         E
                                                                                                                                                                                                                                                   Only because you made a way
