

Travis - Before You Were Young

Tom: **G**

Intr. (**G D Em D G**)

G **D**
In the days before you were young
Em
We used to sit in the morning sun
D
We used to turn the radio on
G
What happened?
G **D**
We'd see our lies in the eyes of faith
Em
And take our cradles to the grave
D
Well even then we never saved
C
From danger
C **Em**
And if you ever leave me come
D
I will be there waiting
D
Waiting for you know i will
G
I love you for ever
D
I'll never say never
G **D**
Bet i've only got two hands

Em
And i'll never learn to dance
D
I'll never get a second chance
G
Whatever
G **D**
I'll take the breath away from your sighs
Em
And whipe the tears away from your eyes
D
And hope the fire never dies
C
Inside you
C **Em**
And if you ever leave me come
D
I will be there waiting
D
Waiting for you know i will
G
I love you, i love you, i love you....
G D Em D G)
G **D**
In the days before you were young
Em
We used to sit in the morning sun
D
We used to turn the radio on
G
What happened?
