

Travis - Chinese Blues

Tom: **A**

(com acordes na forma de **Dm**)

C **G**

The snow was falling on his shoulders by the side of the road

Dm

And he watched as the sun went down

C

Falling on the building

G

Swallowing the children

Dm

It's the gun in your back

It's the heart attack

C **G**

It's the way you look back before you step out

Dm **C** **G**

In time to see the number of the bus that's running you down

Gm **F** **C**

A million lonely people with their head in the sand

Gm **F** **C**

Trying to make some sense of what they don't understand

Gm **F** **C** **Bb**

Waiting on somebody just to give them a hand, Heyyyy

Dm **C** **G**

You're designed to fall apart on the day the warrenty ends

Dm

And you try but you just can't stop

C

Running round in circles

G

Knocking over hurdles

Dm

It's the knife in your back

It's the heart attack

C **G**

It's the way you look back before you step out

Dm **C** **G**

In time to see the shadow of the one that's cutting you down

Dm **G**

The snow was falling on his shoulders by the side of the road

Bb **A**

And he watched as the lights came on below

Dm

And the children were sleeping

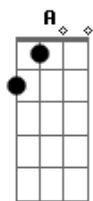

G

And the women were weeping

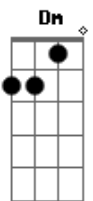

Bb **A**

There was nobody keeping him here
