Capotraste na 2ª casa

Capo 2

Intro: **C D** (x2)

Verse 1

G **C** **D**
Everything is open, nothing is set in stone,
Rivers turn to oceans, oceans tide you home
Home is where the heart is, but your heart had to roam
Drifting over bridges never to return

D
Watching bridges burn

Chorus

G **D** **C**
You driftwood, floating on the water
C

Breaking into pieces, pieces, pieces
Just driftwood, floating with no use,
Waterfalls that find you, bind you, grind you

Verse 2

Nobody is an island, everyone has to go
Rivers turn to butter, butterfly and low
Low is where your heart is, but your heart has to grow

Drifting under bridges, never with the flow

Middle 8

C **D**
And you really didn't think it would happen
C **D**
But it really is the end of the light
G **D** **C**
So I'm sorry that you turned to driftwood
C **G**
That you've been drifting for a long long time

Break **C D**

Verse 3

Everywhere there's trouble, nowhere safe to go
Pushes turn to shovels, shovelling the snow
Frozen you have chosen, the path you wish to go
Drifting now forever and forever more
Till you reach your shore

Chorus

Middle 8

C **G**
Drifting for a long long time
