

## Travis - Happy To Hang Around

```
Intro: duçao: Em C Em C
Solo (Guitarra Eléctrica
3x
They were following me
They were following everyone
They had visions of me
Holding hands walking in to the sun
Now people get down, people get down, people get hurt
When you did it to me
I was already in the ground
And I'll never get into your heart
              D
      Fm
No I don't even want to start
I'll never get into your heart
      Em D C
\ensuremath{\mathrm{I'm}} just happy to hang around
              C
Happy to hang around
         D C
Happy to hang around.
```

Take a picture of me
