Intro:

Repeat intro and then...

D **G** **G** fill

G (X02033)

You were on my mind

Am

Inside the cinema

You looked so beautiful

D - **G** - **G** - fill

I almost had to go

G

And when I got outside

Am

I thought of you again

I think you should be framed

D - **G** - **G** - **G**

In some Fine Art gallery

Am **D** - **G** - **G** - Intro

I know you'd disagree with me. But I love you anyways

Should I climb high my

Dreary city walls

They make me feel so small

Oh let me fade away

This city's so cold and old

Forever rain or snow

I'd really love to come and go

D - **G** - **G** - **G**

Oh won't you stay with me

I know you'd disagree with me

Am

D - **G** - **G** - Intro

I just know you'd disagree

But I love you anyways

You were on my mind

Inside the cinema

You looked so beautiful

I almost dried an eye

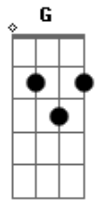

And when I got outside

I caught the 44

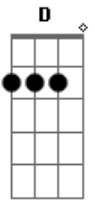

It dropped me outside my front door

Forgot what I'd been living for
