

Travis - Pipe Dreams

Tom: E

(com acordes na forma de D)
Capostrate na 2ª casa
Intro: Bm B

Bm G D Em
I read it all, every word, and I still don't understand a thing
G D Em
What had you heard ?
Bm G D Em
What had you heard, was it love, was it take another walk in the dark ?
G D Em
You'll never learn

D A A Em
G
I'd pray to god if there was heaven, but heaven seems so very far from here

G D Em
And it all boils down to the same old thing
G D Em
Just a yin and a yang or a couple of pipe dreams
G D Em
And it all boils down to the same old pain
G D Em
Whether you win or you lose isn't gonna change a single thing

Bm G D Em
I stood in line and a thought crossed my mind, I had been dreaming
G D Em
But I didn't mind
Bm G D Em
I signed the line and the woman looked right through me
G D Em
She didn't smile

D A A Em
G

I'd pray to god if there was heaven, but heaven seems so very far from here

G D Em
And it all boils down to the same old thing
G D Em
Just a yin and a yang or a couple of pipe dreams
G D Em
And it all boils down to the same old pain

Whether you win or you lose isn't gonna change a single thing
(Bm G D Em)

D A A Em
G
I'd pray to god if there was heaven, but heaven seems so very far from here

G D Em
And it all boils down to the same old thing
G D Em
Just a yin and a yang or a couple of pints, please
G D Em
And it all boils down to the same old pain
G D Em
Whether you win or you lose isn't gonna change a single thing

G D Em
And it all boils down to the same old fear
G D Em
Just a link in a chain, just a puppet on a string
G D Em
And it all boils down to the same old fear
G D Em
Whether you win or you lose
G D Em
Whether you win or you lose
G D Em
Whether you win or you lose
G D Em
Whether you win or you lose
