Yeah you got the glue, so i'm gonna give my heart to you.

Verse 2

I had a premenition, a movie in my mind,
confirming my suspicions, of all I would find.
Follow me to LA, down to Mexico,
came in through the back door, at the start of the show.

All I need is you, I just need you.
Yeah, you got the glue, I give my heart to you.

Verse 3

Now, as I lie in pieces, I wait for your return,
the sun upon my forehead, burns baby burns, baby burns.
An eye on all my horses, you slept with all my men,
I'm never gonna get, together again.

All I need is you, I just need you.
Yeah, You got the glue, I give my heart to you.

Yeah, you've got the glue, there's nothing I can do,
yeah you've got the glue, I give my heart to you.
