**C**  
Every cloud has a silver line  
But you still need the moon to shine **G**  
And we don't care about it **C**  
Is there something that you forgot  
And you wish you could stop the clock **G**  
Because you can't live without it **D**  
We don't have a clue **C**

Cause we're 3 miles high **Em Gb11 G**  
And around us dust and feathers fly **C Em D**  
And we can't climb down **Em Gb11 G**  
Cause we'd burst our little bubble on the ground **C Em D**

**C**  
Everyone has a wall to climb **G**

But we don't really have the time

To give a hoo-ha about it **C**  
And your life is a russian doll

You were given when you were small **G**

And they're all inside you **D**

We don't have a clue **C**

Cause we're 3 miles high **Em Gb11 G**

And around us dust and feathers fly **C Em D**

And we can't climb down **Em Gb11 G**

Cause we'd burst our little bubble on the ground **C Em D**

And we won't come down **C C C**

Till we hit the ground **C C C**

Cause we're 3 miles high **Em Gb11 G**

And around us dust and feathers fly **C Em D**

And we can't climb down **Em Gb11 G**

Cause we'd burst our little bubble on the ground **C Em D**
