

Travis - Three Miles High

```
Tom: B
 (com acordes na forma de G)
Capostraste na 4º casa
Intro: Em Gb11 G G C C Em D
       Every cloud has a silver line
But you still need the moon to shine
And we don't care about it
Is there something that you forgot
And you wish you could stop the clock
Because you can't live without it
We don't have a clue
             Em Gb11 G
Cause we're 3 miles high
                                  Em
And around us dust and feathers fly
\begin{array}{ccc} & \text{Em} & \text{Gb11} & \text{G} \\ \text{And we can't} & \text{climb down} \end{array}
Cause we'd burst our little bubble on the ground
     Everyone has a wall to climb
```

```
But we don't really have the time
To give a hoo-ha about it
And your life is a russian doll
You were given when you were small
And they're all inside you
We don't have a clue
            Em Gb11 G
Cause we're 3 miles high
                                Em
And around us dust and feathers fly
     Em Gb11
                     G
And we can't climb down
Cause we'd burst our little bubble on the ground
And we won't come down
Till we hit the ground
            Em Gb11 G
Cause we're 3 miles high
And around us dust and feathers fly
\begin{array}{cccc} & & Em & Gb11 & & G \\ \text{And we can't} & & \text{climb down} \end{array}
                                           Fm
Cause we'd burst our little bubble on the ground
```
