

Vicente Jr. Trepidants - Janie

Tom: **G**

Intro: **G F C G**

When I close my eyes at night

I can see you When I hold

Your soft hands in mine

Love me Janie

I try as hard as I can

Not to hurt you

Until I'm old

You won't have a broken heart

I love you Janie

Say you'll keep your love alive

That's my only way to survive

Oh oh! Janie

My life would end

Don't let it die

I leave for you I need your love and you touch

So please believe

Just when I say

You are the one, you are my love

Dear Janie

(**G F C G C**)

[Solo] **G C Bm E7 Am D7**

Say you'll keep your love alive

That's my only way to survive

Oh oh! Janie

My life would end

Don't let it die

I leave for you I need your love and you touch

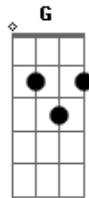

So please believe

Just when I say

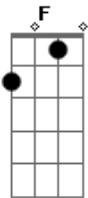

You are the one, you are my love

Dear Janie
