 Sitting here, talking to myself
 Thinking how I used to use you
 Only thing I'm used to
 Last night was the last night of my past life, woah
 Ooh-oh, woah, woah, woah woah woah
 Ooh-oh, woah, woah, woah woah woah
 Last night was the last night of my past life
 Got me here like you can never figure me out
 Last night was the last time, was the last time
 I'll never let you figure me out
 Sitting here, talking to myself
 Thinking how I used to use you
 Only thing I'm used to
 Last night was the last night of my past life, woah
 Ooh-oh, woah, woah, woah woah woah
 Ooh-oh, woah, woah, woah woah woah
