

Trio Irakitan - Chorou, Chorou

Tom: G

(intro) Em Am Em Am Em Bm Am G

Um adeus entre nos dois
 Foi a felicidade que acabou
 E alguém chorou, chorou, chorou, chorou,
 E alguém chorou, chorou, chorou, chorou.

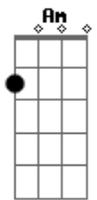

Um adeus entre nos dois.
 Depois foi a saudade que ficou,

Que alguém chorou, chorou, chorou, chorou,
 Que alguém chorou, chorou, chorou, chorou.

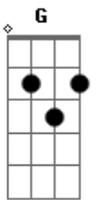

Na noite de lua choveu
 E a rosa mais linda morreu.
 O samba lá no morro calou
 Que alguém chorou, chorou, chorou, chorou,
 Que alguém chorou, chorou, chorou, chorou.

Alguém entre nos dois chorou...
