

# Trio Irakitan - Juracy

Tom: C

(intro) G D7 D7 G F7 C G A7 D7 G

Desde o dia que eu te vi, Juracy

Nunca mais tive alegria

Meu coração ficou daquele jeito

Dando pinote dentro do meu peito

Mas agora eu quero, eu quero saber

Qual a sua opinião

Pra resolver nossa situação

Pode ser, ou tá difícil, coração?

Eu trabalhei durante o ano inteiro

E consegui juntar algum dinheiro

Fiz uma casa que é um amor

Pois tem rádio e geladeira

E tem ventilador

Nossa casinha lá na Marambaia

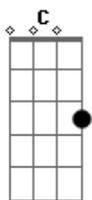

Fica a dois passos da beira da praia

E se você achar que lhe convém

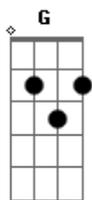

Eu lhe garanto tudo isto

E o céu também!
